Are you planning a pregnancy? Do you feel confused or powerless because you don't know where to start? The Pregnancy Power Workbook will mobilize these feelings into action by giving you the tools you need to become an empowered pregnancy professional. Armed with this power, you can take your pregnancy care to a new level. In the current market of guides, nothing resembles this book; readable, useable, and practical, this guide provides a concise system that allows you to be on the same page as your medical team, to speak the same language, and to work towards the same goals. Focused questions, generally presented in the first person, guide you from preconception through delivery in a style that encourages and enforces personal knowledge. These simple questions reveal the answers you need to know during the weeks and months of a normal pregnancy. Summary: The Pregnancy Power Workbook transforms women considering a pregnancy or those already pregnant into empowered pregnancy professionals. Until now, publishers have presented pregnancy guides in a large, textbook-style format. The overwhelming details of pregnancy...
