Carlton Books Ltd, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. 2013 marks the 50th anniversary of Beatlemania, with their first number one, and their first album. From the time they were formed in 1962, through to their break-up eight years later, the Beatles were associated with a multitude of items, places and people. This illustrated collection focuses on 100 of the most important of those objects - which heralded landmark moments, career changing achievements or curious episodes in the life of a Beatle. From tickets to records, instruments to memorabilia, clothes and the stories and histories behind them - including the drum kit Ringo purchased in 1960 and a copy of My Bonnie (the band's first professional recording) and a ticket for Candlestick Park (the Fab Four's last concert); here are 100 amazing objects that tell the story of the Beatles as never before.
