The University of North Carolina Press. Paperback. Condition: New. 352 pages. Dimensions: 9.2in. x 6.2in. x 0.9in. On February 25, 1946, African Americans in Columbia, Tennessee, averted the lynching of James Stephenson, a nineteen-year-old, black Navy veteran accused of attacking a white radio repairman at a local department store. That night, after Stephenson was safely out of town, four of Columbias police officers were shot and wounded when they tried to enter the towns black business district. The next morning, the Tennessee Highway Patrol invaded the district, wrecking establishments and beating men as they arrested them. By days end, more than one hundred African Americans had been jailed. Two days later, highway patrolmen killed two of the arrestees while they were awaiting release from jail. Drawing on oral interviews and a rich array of written sources, Gail Williams O'Brien tells the dramatic story of the Columbia race riot, the national attention it drew, and its surprising legal aftermath. In the process, she illuminates the effects of World War II on race relations and the criminal justice system in the United States. O'Brien argues that the Columbia events are emblematic of a nationwide shift during the 1940s from mob violence against African Americans to increased confrontations between blacks and the police and courts. As such, they reveal the history behind such contemporary conflicts as the Rodney King and O. J. Simpson cases. This item ships from multiple locations.
