In today's economy, the small business entrepreneur is in need of a ton of resources if they are going to compete in this global and expanding market place. From the basics of running a business to websites, branding, and more, the business owner looking to become highly profitable needs answers and help. Where do you turn to in your time of need? Small Business Marketing 101 book is the place to start as it is a small business resource for the entrepreneur, middle or upper manager looking to take your profits to a whole new level. We start with branding your business and that entails understanding what good branding is, why it helps the bottom line and how it holds the keys to your business's future as more and more people begin to recognize your brand online and begin to trust what it delivers just by site alone. Big corporations like Coca-Cola, UPS, McDonalds and more clearly understand and define their brands with absolute distinction. Your brand is one of the most important elements and yet most small businesses never pay enough attention to it. Next we take you on a sales training journey and help you and your team with sales education in order to improve those all-important sales figures that are the lifeblood of any company. Take your sales to a whole new level as you implement new philosophies for better results. These techniques have been tried and used over 22 years and have helped the author become a successful entrepreneur. Your sales team needs better tools, mindsets and understanding and this book is exactly what they all...
