

## Freedom and Circumstance: Philosophy in Ortega y Gasset

By Oswald Sobrino

Createspace, United States, 2011. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This short book provides an introduction to the writings of philosopher Jose Ortega y Gasset (1883-1955), by looking closely at his work entitled What is Philosophy? which redefines philosophy for a new era. The author Oswald Sobrino provides original translations from the beautifully written Spanish used by Ortega and provides commentary that guides you, step-by-step, through Ortega s dramatic and vital redefinition of philosophy. This book will hopefully be the first in a series commenting on Ortega s very readable and well-written works. For Ortega, the radical reality that philosophy addresses is our life together with the world around us, with our circumstance. Hence, Ortega s famous dictum that I am I and my circumstance. Ortega, with literary flair, paints a picture of the drama and urgency of the life of each one of us facing the challenges of our own particular circumstances and a picture of how freedom and decisive responsibility oriented to the future are crucial to our very existence.
