Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Drawing on his own adventures in the Spanish countryside, Dos Passos writes a story of two nomads walking from Madrid to Toledo in the years after World War I. Their travel interweaves Spanish customs, literature, and art. For the author, the country never ceases to tease the imagination. John Roderigo Dos Passos was a radical American novelist and artist active in the first half of the twentieth century. His novel, *Manhattan Transfer*, became a huge commercial success but he is perhaps best known for his U.S.A. trilogy which consists of the novels *The 42nd Parallel*, *1919*, and *The Big Money*. In 1998, the Modern Library ranked the U.S.A. Trilogy 23rd on its list of the 100 best English-language novels of the 20th century. An artist as well as a novelist, Dos Passos created cover art for his books, was influenced by the modernist movements in 1920s Paris, and continued to paint throughout his lifetime.
