Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Kat Culhane hasn't seen Mike D Antoni for two years until they run into each other in Texas. Time has passed but the heat between them hasn't diminished. Hello leads to lunch, lunch leads to dinner, and dinner leads to bed and the most erotic sex they've ever had. When Kat's sister disappears, along with her boss and his family, Mike and the Phoenix Agency roll into action, with Kat's remote viewing abilities playing a key role in the search. At night she loses herself in Mike's arms as his hands and mouth soothe and seduce her. In addition to finding her sister, it's obvious to Kat and Mike that this time around, they also have to find a way to hang on to each other.
