Atria Books, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Nobody is a powerful and eye-opening examination of the deeper meaning behind the string of deaths of unarmed citizens like Michael Brown, Eric Garner, and Freddie Gray. Unarmed citizens shot by police. Drinking water turned to poison. Mass incarcerations. We ve heard the stories. Now public intellectual and acclaimed journalist Marc Lamont Hill offers a powerful, paradigm-shifting analysis of race and class in America, and what it means to be Nobody. Through on-the-ground reporting and careful research, Hill shows how some American citizens are made vulnerable, exploitable, and disposable through the machinery of unregulated capitalism, public policy, and social practice. This Nobody class, Hill argues, has emerged over time, and forces in America have worked to preserve and exploit it in ways that are both humiliating and harmful. He carefully reconsiders the details of tragic events like the deaths of Michael Brown, Sandra Bland, and Freddie Gray, and the water crisis in Flint, Michigan, and delves deeply into a host of alarming trends including mass incarceration, overly aggressive policing, broken court systems, shrinking job markets, and the privatization of public resources, showing time and again the ways the current system is designed to worsen the plight of the vulnerable.
