One of One - Becoming the Company of Choice: A Modular Approach to Achieving Differentiation (Paperback)

By Bruce Woodings

The Choir Press, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Confronting an unpredictable business climate and ever-changing marketplace presents a monumental challenge for businesses to maintain their competitive edge. The rate of technology change further impacts the timely development and modification of business strategy. Methods based on historical data to predict the future have been rendered insufficient for establishing the company's strategy, especially for start-up, small and medium sized business, not-for-profit and public sector organizations which may have limited access to hands-on business experience. One of One, Becoming the Company of Choice, introduces the most powerful way to differentiate your company by using its structured approach for establishing the best way to improve your success. Employing a series of implementation modules, you tailor-make a strong business foundation using proven concepts based on what is already working, aligning the organization's strengths to achieve a value driven competitive and agile advantage. Additionally, you will discover hidden insights on how to best offer differentiated solutions to assure your customers achieve their goals. Benefits achieved by implementing the techniques presented in One of One are; - realization of your core business purpose, areas...
