SERENADING THE SHADOWS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

No one should have their life planned out at the age of three. Yet that's exactly what happened to Adrienne Carmichael. Paving the way as the piano prodigy was all her parents wanted. Only she didn't. All she wished for was to be normal, to be a regular teenager and everything that came with it—including the decisions that would shape her life. Wish granted. Ten years later, scarred and broken, she knows that being alone isn't everything she imagined. The piano is finally everything, except nobody will ever hear her play again. All that changes when a sexy-as-sin rock god blows into her life. Tall and tattooed with jet-black hair and a dangerous bad boy smile. He's every girl's fantasy. To her, he's a distraction, yet Kade Evans is everything she shouldn't want. Instinct tells her to run, but she can't get him out of her mind. But maybe, just maybe, he can be the one to pull her from the shadows before the darkness swallows her. for good.
