Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Northwestern University Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Wild Mustard, an anthology of prizewinning short fiction by contemporary Vietnamese writers, throws into relief the transformations of self and place that followed Vietnam's turn toward a market economy. In just three decades, since the 1986 policy known as doi moi (renovation) ended collectivization and integrated Vietnam into world markets, the country has transformed from one of the poorest and most isolated on earth into a dynamic global economy. The nineteen stories in this volume capture the kaleidoscopic experiences of Vietnam's youth, navigating between home and newly expanded horizons, as they seek new opportunities through migration, education, and integration not only into their nation but into the world. In the tradition of the Under 40 collections popularized by magazines such as the New Yorker and Granta, but with greater stakes and greater differences between the previous generation of writers and this new one, Wild Mustard seeks to change how North American readers think of Vietnam. Escaping the common fixation on the Vietnam War and its aftermath, these stories reflect the movement and dynamism of the young Vietnamese who locate themselves amid the transnational encounters and proliferating identities of a global economy.
