

Jaws (film)

By Frederic P. Miller

Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x10 mm. Neuware - Jaws is a 1975 American horror/thriller film directed by Steven Spielberg and based on Peter Benchley's novel of the same name. The police chief of Amity Island, a fictional summer resort town, tries to protect beachgoers from a giant great white shark by closing the beach, only to be overruled by the town council, which wants the beach to remain open to draw a profit from tourists during the summer season. After several attacks, the police chief enlists the help of a marine biologist and a professional shark hunter. Roy Scheider stars as police chief Martin Brody, Richard Dreyfuss as marine biologist Matt Hooper, Robert Shaw as shark hunter Quint, Murray Hamilton as the Mayor of Amity Island, and Lorraine Gary as Brody's wife, Ellen. Jaws is regarded as a watershed film in motion picture history, the father of the summer blockbuster movie and one of the first 'high concept' films. 168 pp. Englisch.

Reviews

This book may be worth purchasing. I was able to comprehend every thing using this published e publication. I am happy to let you know that this is the very best ebook i have got read inside my very own daily life and could be he finest ebook for actually.

-- Rhoda Durgan PhD

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Kian Harber
