INSTRUCTIONAL TECHNOLOGY FOR 21ST CENTURY SKILLS

National Professional Resources (NPR), 2010. Other. Book Condition: New. As the saying goes, "this is not your father's classroom." In order for today's modern classrooms to prepare students for the 21st century they must contain a rich set of tools to enable both the teacher and the students to access, collaborate and connect to the latest resources on the Internet. Although, virtually every classroom in the United States has at least one computer connected to the Internet, it will be...

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
