Meet the Instruments introduces and explores the many sights and sounds of the symphony orchestra and band through posters and study prints. The multimedia approach provides the student with definitive, fundamental knowledge of the various instruments--and makes the student's experiences with the sight and sound of each instrument simple, uncomplicated, and at the same time, dramatic and colorful. The 25 full-color posters on sturdy artboard (14 x 22) picture the instruments singly and in family groups. An informative text is printed in an accompanying booklet and on the back of each poster.
