MEDITATION TO RELIEVE STRESS AND ANXIETY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you always stressed? Is the daily grind driving you nuts? Do you constantly feel a heaviness and dull pain in your head? Do you feel as if there is a heavy burden on your shoulders all the time? Do you get up in the morning after a long night s sleep without feeling like you have slept at all? If this is how you have been feeling, it is time to try meditation. During ancient times, meditation was used for attaining enlightenment and salvation. But lately, it has become an excellent tool in combating stress and anxiety. Even the scientific community has now accepted meditation as a way to reduce stress and improve your overall health. In fact, mindfulness meditation has been incorporated into cognitive therapy to relieve depression and anxiety. It has been found that meditation strengthens your immune system. It decreases pain and is an excellent way to combat chronic pain. It has also been found to reduce inflammation at the cellular level. With meditation, you feel happier and more joyous. It increases positive emotions and decreases depression. It reduces stress and anxiety and is an excellent tool to reduce those negative thoughts and attitudes ingrained within you. If you want to improve your social life, try meditating. Meditation can be done in a group to improve your connection with other people. Even if you do it as a solitary activity, it improves the way you connect with others you meet in your daily life. It makes you more sensitive to the feelings of others. You become more compassionate, and meditation improves your overall emotional intelligence. You will definitely feel less lonely, even when you are alone. With meditation,...
