Brand New Book ***** Print on Demand *****.Excerpt from Sixteenth Annual Report of the Commissioners for the Queen Victoria Niagara Falls Park of the Province of Ontario: For the Year Ending December 31st, 1901 The Directors of the Power Company represented that these changes from the Agreement of April, 1900, had been strongly recommended by their Hydraulic Experts, after a scientific investigation of all the conditions governing the project. A careful examination, by the Commissioners, of that portion of the Park, that would be affected by the proposed changes, showed that in one or two respects the surface of the Park would be more or less injured, while in other respects the changes would be distinctly advantageous. After full consideration of the matter by the Commissioners, and protracted negotiations with the Company, an agreement was arrived at. under the terms of which the principal changes desired by the Company were approved, but subject to such conditions as will not only properly safeguard the Park interests, but which will at the same time enable the carrying out of several very important improvements, which the Commissioners have long had in contemplation. The text of the amended Agreement will be found in the Appendix to this Report. Up to the present time the Company has not commenced active operations, but the Commissioners have the assurance of the President of the Power Company that the preliminary works are now sufficiently advanced to admit of an early start being made in the spring. Canadian Niagara Power Company. Early in the summer the Canadian Niagara Power Company informed the Commissioners that they had tentatively completed their financial arrangements, and were ready to begin construction operations, under the terms of Agreements...
