Chestertons biographical essays provide unique portraits of 12 of Europes most defining figures. Gilbert Keith Chesterton, 29 May 1874 14 June 1936, better known as G. K. Chesterton, was an English writer, lay theologian, poet, dramatist, journalist, orator, literary and art critic, biographer, and Christian apologist. Chesterton is often referred to as the prince of paradox. Time magazine, in a review of a biography of Chesterton, observed of his writing style: Whenever possible Chesterton made his points with popular sayings, proverbs, allegories first carefully turning them inside out. Chesterton is well known for his fictional priest-detective Father Brown, and for his reasoned apologetics. Even some of those who disagree with him have recognized the universal appeal of such works as Orthodoxy and The Everlasting Man. Chesterton, as a political thinker, cast aspersions on both Progressivism and Conservatism, saying, The whole modern world has divided itself into Conservatives and Progressives. The business of Progressives is to go on making mistakes. The business of the Conservatives is to prevent the mistakes from being corrected. Chesterton routinely referred to himself as an orthodox Christian, and came to identify this position more and more with Catholicism, eventually converting to Roman Catholicism from High Church Anglicanism. George Bernard Shaw, Chestertons friendly enemy according to Time, said of him, He was a man of colossal genius. Biographers have identified him as a successor to such Victorian authors as Matthew Arnold, Thomas Carlyle, John Henry Cardinal Newman, and John Ruskin. This item ships from La Vergne, TN. Paperback.
