

Don t Kill My Lyme: Just Get Me Better (Paperback)

Filesize: 8.44 MB

Reviews

Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.

(Prof. Ernestine Emard)

DON T KILL MY LYME: JUST GET ME BETTER (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why should you be suffering every day without any reasonable explanation of your chronic disease? It s not the disease, it s the outdated protocols and the lack of understanding of how to heal the diseases. As founder of Lifestyle Healing Institute(R), Wyatt Palumbo, BSChE, will get you better and finally give you answers and results you ve been desperately seeking for years. Palumbohas taken his years of expertise of chronic diseases, biofilm, and neurological conditions and written a book that helps you with his all-natural cellular protocols. Don t Kill My Lyme is revolutionizing the way we think about Lyme disease. Most treatments available focus on killing Lyme disease, assuming that Lyme is the main culprit of your symptoms. Palumbo shows that this is inaccurate and an outright dangerous approach to healing. Backed by scientific research, it s a groundbreaking way of restoring your health, even for something as challenging as drug detoxification. The days of treating Lyme disease and other chronic conditions with antibiotics and prescription medications are over. If you are brave enough to believe that Lyme can be healed in a short period of time, rather than a lifetime, Don t Kill My Lyme is ready to lead the way.
