Brand New Book ***** Print on Demand *****.Web Design For Your Average Joe! Learn how to set up a website that meets your exact needs in 3 EASY STEPS; one that the professionals would have charged you thousands of dollars for! Have your very own website that looks, functions, and works better than 80 of the websites currently on the web Just a few years ago, I could barely update my Facebook page; today I can build anything from an e-commerce website that sells products across the globe to a membership website for gardening enthusiasts. You name it, I can build it. And guess what? You can too. You will be able to build any type of website imaginable, and this will require ZERO programming skills. Don t Let Another Excuse Get In The Way Of You Building That Website You ve Always Wanted This book was written to bridge the gap that most people still think exist - the gap that use to isolate computer programmers from your average Joe. The one tool that has made this all possible is Wordpress,...
