Reviews

*Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in a remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.
(Dr. Haskell Osinski)*

ROYAL GAMES (PAPERBACK)

Amazon Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Genesis Kelley didn't just get her heart broken. The aspiring veterinarian had it crushed in front of millions of viewers on the dating reality show *Marry Me*. Now, just as she's getting her life and dignity back together, her royal heartbreaker, Prince Rafael of Monterra, has landed in Frog Hollow, Iowa. And he's renting out her aunt's guest cottage. Deceiving TV audiences for his brother's sake cost Rafe the girl of his dreams. But he's going to fix it, even if it means moving from his mountain-kingdom home to small-town Iowa. A prince doesn't give up on his rightful princess--especially once he realizes Genesis is in deeper danger than she knows. Between fixing her truck, whisking her off to Monterra for a whirlwind date, and charming the entire town, Rafe is thawing the ice around Genesis's heart. Will it be enough to earn back her trust, protect her from her past--and sweep her into a real-life fairy tale?.
