WHEN I GROW UP?

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. When I Grow Up is meant for children and adults to read together. The book is designed to help children learn to read and develop early career aspirations. It s designed to help children understand various job occupations and the responsibilities that accompany them in a way that is fun and creative. There s also space at the end of the book that provides an opportunity for children to think of, draw, and describe other occupations they could hold as adults - outside of those covered in the book. This encourages imagination and creativity while getting them to think about their future.
