

Auto-Suggestion: What It Is and How to Use It for Health, Happiness and Success (Classic Reprint) (Paperback)

By Herbert Arthur Parkyn

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Auto-Suggestion: What It Is and How to Use It for Health, Happiness and Success During the years 1903 and 1904 I published a series of articles on auto suggestion in the magazine suggestion. From the reception accorded the series and the great demand for back numbers of the magazine, which could not be supplied, I decided to revise the articles, make some additions and publish them in their present form. It is only within the last few years that we have thoroughly recognized the existence of one of the greatest forces in Nature, auto-suggestion, and the part it plays in influencing health, happiness and success; and the more we study its operations the clearer becomes the explanation for so many things that formerly appeared to belong to the realm of occultism.
