Microcosm Publishing, United States, 2011. Paperback. Book Condition: New. 6th. 173 x 104 mm. Language: English . Brand New Book. At long last it's the new issue of Microcosm's continuing CIA zine series! For the tenth anniversary issue, we get an intimate, never-seen-before examination of the life and death of Lee Harvey Oswald. Where other would-be Oswald biographies focus on the immediate events leading up to the 1963 assassination of President John F. Kennedy, here we have a full and panoramic look at Oswald's short, conflicted, adventure-filled life. Using exclusive info and newly declassified documents, CIAMSFU #6 puts into perspective a richly-detailed version of the Oswald story, from birth in 1939 to his historic televised assassination. This is a zine that tells us that while the events are from the past, the topics discussed are still heavily relevant. The tactics used by the government in this story are still being employed to this day; the lies and the propaganda are still being forced on us and will be so until we educate, fight, and change our way of thinking. Shocking,...
