

Seven Spheres (Paperback)

Filesize: 6.9 MB

Reviews

Certainly, this is the finest work by any article writer. It really is full of wisdom and knowledge You will not sense monotony at at any time of your own time (that's what catalogs are for concerning should you ask me).
(Marion Mann DDS)

SEVEN SPHERES (PAPERBACK)

Nephilim Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seven Spheres by Rufus Opus
Seven Spheres is more than a simple book of traditional Hermetic Magic. It is designed to be a series of rituals that function on many levels to take an average ordinary magician and turn them into a self-actualized powerhouse of proactive reality engineering. It s entirely about attaining initiation and empowerment in the highest levels of un-manifest reality. These experiences and rites result in the release of a floodgate of power that pour down through the layers of progressive manifestation, building up awareness, understanding, and ultimately raw potential as you move from sphere to sphere through the rites, ultimately culminating in the anointing of the magician as Priest-King directing the forces that climax in your personal daily experience of the Joy of your life. This book isn t about physical or spiritual mastery, it is entirely about understanding that you, personally, are beloved, honored, blessed, and highly favored of every intelligence, spirit, angel, and god of every sphere. This is about understanding who you are and what you can accomplish as a human being manifest upon the surface of the Earth. Spiritual enlightenment and material mastery will be yours, if you do the work described. There are few in the field today that have both technical expertise and a genuine love of the spirits. A man who is as on-fire with the Holy Spirit as a tent-revival preacher, but who can make complex evocation instruction as clear as your ABC s. Rufus Opus is that kind of Priest-Magician. For years he has been making laying down his brand of hermetic magic with style and sass on his blog and in his courses. Now with this book, he will...
