Date :2009-6-1. Third National Education Conference. issued the CPC Central Committee and State Council on Deepening the Reform of the decision to promote quality education. in 2001 the State Council held a the national basic education work conference. and issued the Circular on the basis of reform and development of decision. the Ministry of Education promulgated the Basic Education Curriculum Guidelines. this series of documents issued for the development of basic education in China has played a very a big boost. Also to our educational philosophy. educational methods. learning strategies has brought profound changes. To help teachers and students make better use of PEP compulsory curriculum standard experimental materials. we organized the compilation of this new case of new learning materials series. Bentacongshu embodies the following concepts of penetration and use of education: teachers. teaching-oriented focus. more concerned about the subjectivity of students. Attention to academic performance. more concerned about the students' moral. aesthetic sense. the scientific spirit and the cultivation and development of the human spirit. Concerned about the end of the standard content and evaluation of learning outcomes. are more concerned about the formation and expansion capabilities of the evaluation. Concerned about the knowledge of science teaching. but also concerned about the wide range of extra-curricular educational resources. Concern has been the success of classroom teaching. more concerned about the use of modern educational philosophy for teaching innovation.
