Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The addresses collected in this World War One history were delivered at the Sabbath morning Services of Temple Emanu-El during the autumn and early winter of 1917-18. I tried to give a bird s eye view of the relation of the Jews to the several countries with which America is now associated in the War for the defense of democracy. Also, I tried to point out how intimately the advance of democracy has been connected with the improvement of the lot of the Jew. Forming part of Divine Services, the addresses had to be short, but I hope they contained enough to illumine the subject and to stimulate thought, if not further study, as well as patriotic action.
