Forgotten Books. Paperback. Condition: New. This item is printed on demand. 310 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from The Orchestra, Vol. 1: Technique of the Instruments At length, after two and a half years of arduous work, the author has the satisfaction of offering to students the first part of his promised treatise on the Orchestra. The delay in its appearance has been due, partly to increasing pressure of professional engagements, but far more to the laborious preliminary investigations necessary to enable him to do some measure of justice to his subject. In order that he might have at hand, when required, suitable examples illustrating every point that it might be needful to refer to, the author, before writing a single line of the text, examined nearly every orchestral score in his library. He consulted many hundreds of scores by the great masters, varying in length from a few pages to six or seven hundred, or even more. He made a list of some fourteen hundred passages for quotation or reference - far more, of course, than it would be possible to make use of, because, without such a list at his side, he knew that he would probably waste hours in hunting for a particular illustration when he required it. The result has fully justified his method of procedure; for the actual writing of the volume has occupied a comparatively short time. The preliminary work, on the other hand, required more than a year and a half to complete it. In planning the present work, it appeared advisable to deal first with the instruments of the orchestra individually, leaving till later the important subject of their combination, though this is of necessity incidentally shown to some extent in the examples given. After two preliminary chapters, treating of the...
