Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. On the Eve is one of many Turgenev s lyrical idealist works. Turgenev defined the philosophy of nihilism and social change and yet managed to dwell on the bittersweet romanticism of Russia s fading nobility. This is a story of Elena, a young spiritually passionate woman with intense social principles, who abandons her family, home, and country, to follow Insarov, a romantic revolutionary rebel to his native Bulgaria. A classic novel of the courage of life choices on the brink of global change.
