Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At Fertile Gardens Nursing Home the residence have been abandon by their children and siblings. Lack of love and family have caused great angst and sadness on the part of the clients at Fertile. Not much in life remains rewarding for our older seasoned citizens, not even the Wednesday afternoon sing-a-longs. But through the birth of children at the home, the reporting of the pregnant elderly by the news media, and the inquisitiveness of the families a new beginning takes place for all, a rebirth. A much needed play for the electronic generation putting into perspective the need for human contact, love, and care for those who have come before us.
