From the acclaimed author of *Trouble Loves Company* comes a smart, sexy, heartfelt new novel about friendship, love, lust--and a whole lot of trouble in between. After finding her husband in a compromising position, romance author Renee Moore goes back to her hometown, hoping to start over. But once again, she finds herself looking for love in all the wrong places. To make matters worse, just as she decides a healthy relationship may not be her destiny, her ex delivers shocking news that could change her life forever. Practical nurse Danielle Brooks professional life is picture perfect, but her personal life is a mess. Her daughter is about to give birth to a baby believed to have been fathered by Danielle's ex. In an attempt to mend her shattered heart, Danielle has been dating Calvin Cambridge, a truly nice guy. But when Calvin proposes, Danielle wants to be sure she is ready to commit. She enlists Renee to test his fidelity, but when the seduction goes too far, all their relationships may be in jeopardy. Meanwhile, their best friend is getting married, and she is counting on...

Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is playful, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.
