Reviews

It becomes an remarkable publication that we have possibly go through. It is among the most remarkable book i actually have read through. Your lifestyle period will likely be transform when you total reading this publication.
(Dominique Bergstrom)

DANIEL (HARDBACK)

SPCK Publishing, United Kingdom, 2002. Hardback. Condition: New. Language: English . Brand New Book. In many ways, the Old Testament book of Daniel is an enigma. It consists of two different kinds of material: stories about Judean exiles working in the court of pagan kings (chapter 1-6) and accounts of visions experienced by one of these exiles (chapters 7-12). It is written in two languages, Hebrew and Aramaic, and the language division does not match the subject division. Whether the book's affinities lie more with the Hebrew prophets or with later Jewish apocalypses is debated, as are its affinities with the wisdom traditions of both Israel and Babylon. Refreshingly, Ernest Lucas postpones much of the discussion of such issues to an Epilogue, and invites the reader to an investigation of the meaning of the text, in the form in which we now have it. He identifies the central theme of the book as the sovereignty of the God of Israel. With even-handedness and clarity, he demonstrates that, for preachers and teachers, there is much in Daniel that is fairly readily understandable and applicable, and that there are also theological depths which are rewarding for those willing to plumb them and wrestle with the issues they raise.
