By Clifford Brody

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In Burned author Clifford Brody asks and then answers these three tough questions: 1) Why do we make commitments and then break them? 2) Why does it hurt so much more when others break their commitments to us than when we break our commitments to them? 3) And why, after all the hurts, do we then make even more commitments without any assurance that things will work out better the next time around? People all over the world have lived through the pain of commitments that have failed. They want better answers to these questions than they've gotten up to now. Burned provides them. Blending elements of the traditional with outside-the-box creativity in his own answers to these three questions, the author takes the reader on a fast-paced journey that speaks to what commitments are and aren't. Each chapter begins with a short personal vignette driving home why, more often than he wanted, Brody's own commitments didn't work the way he thought they would, why other people's commitments to him failed and hurt him...
