You will cry, you will laugh; but more than anything, you will be inspired and encouraged! In this book Sarah gives us a peek into the many ups and downs she has experienced in her journey through life. She starts with sharing from her earliest years and brings readers all the way up to her present day life. Sarahs story begins with chronic illness, molestation, chronic depression, drug and alcohol abuse and more. Her story continues all the way into her most recent years, where she suffered the devastating end of her eleven year marriage leaving her practically homeless and eventually completely broke with seven biological children and few people left in her life to help.
