

The Principle Approach, the Keys to Recovery, Foundational Steps for Leaving the Past and Finding Permanent Recovery (Paperback)

By Dr David Sutton

Peppertree Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book represents a culmination of a life of sobriety now extended over 30 years. It is a compilation of wisdom and information from meetings I have attended, books I have read, people I have helped and tried to help, and mentors who have spoken into my life and of course it is a reflection of the daily building of my relationship with God. I have attempted to take of the best of what I have heard, learned and experienced and provide it in an organized understandable manner. It is my heart desire that anyone who begins to read these pages can glean from the grace I have been afforded. From the person just trying to find their path to recovery to the seasoned veteran with years of clean and sober life experience, it is my goal that all can find help and understanding from this volume. This is in no way presented to be an exhaustive study of addictions, but more a tapestry of one mans real life experience. Having stood in front of and face to face with thousands of...
