Two girls in love, a Honda Civic, and America. What could go wrong? Antoinette Sjangri is a painfully intelligent high school student, plagued by her keen sense of irony and her mysterious visions of Harriet Tubman, John Brown, and a thousand-foot-tall naked angel. At the end of junior year, her father is killed in a fiery car crash. Her mother took off with a stockbroker when she was twelve. So there s nothing to keep her here on the east coast, except her love for the extraordinary Peggy Squash. On her eighteenth birthday, she hops in Peggy s car and they head west together, hoping to make it to California without meeting any police or serial killers. What they don t know is that each of them is harboring a terrible truth whose revelation could make them lose each other forever.
