NEVAEH, THE SAVIOR (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a children s book. It also rhymes. It also presents a conscious message that could change all of society as we now know it. The message within this book is deep even for grown adults, and yet it is also simple because it is a combination of compassion and common sense and right from wrong and so forth. This is a very powerful book because if children are raised learning this book from a young age then in the coming generations when they grow up and come to maturity, they shall restructure this planet into a paradise.
