Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Seamlessly blending history and reportage, Bill Barich offers a heartfelt homage to the traditional Irish pub, and to the central piece of Irish culture disappearing along with it. After meeting an Irishwoman in London and moving to Dublin, Bill Barich found himself looking for a traditional Irish pub to be his local. There are nearly 12,000 pubs in Ireland, so he appeared to have plenty of choices. He wanted a pub like the one in John Ford's classic movie, *The Quiet Man*, offering talk and drink with no distractions, but such pubs are now scarce as publicans increasingly rely on flat-screen televisions, rock music, even Texas Hold Em to attract a dwindling clientele. For Barich, this signaled that something deeper was at play: an erosion of the essence of Ireland, perhaps without the Irish even being aware. *A Pint of Plain* is Barich's witty, deeply observant portrait of an Ireland vanishing before our eyes. Drawing on the wit and wisdom of Flann O'Brien, James Joyce, Brendan Behan, and J. M. Synge, Barich explores how Irish culture has become a commodity for exports for such firms as the Irish Pub Company, which has built some 500 authentic Irish pubs in 45 countries, where authenticity is in the eye of the beholder. The tale of Arthur Guinness and the famous brewery he founded in the mid-18th century reveals the astonishing fact that more stout is sold in Nigeria than in Ireland itself. From the famed watering holes of Dublin to tiny village pubs, Barich introduces a colorful array of characters, and, ever pursuing craic, the ineffable Irish word for a good time, engages in an unvarnished yet affectionate discussion about what...
