PIRATE PERDITA AND THE TIME TRAVELLING ZOMBIE DINOSAURS.FROM SPACE! (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The zombie dinosaurs are among us. Run. Pirate Perdita is a juvenile fiction novel. It is written at a fourth grade reading level. It is appropriate for all ages. There is no eating of any brains. They aren't that type of zombies. Someone, however, may or may not get eaten in the story. Or stepped on. A dinosaur may or may not devour an unattended dinner. Sherlock Holmes himself may or may not show up within these pages. I refuse to give anything away. You'll just have to read to find out. Enter if you dare. Here there be dinosaurs. Summary: What would you do if you had a dinosaur army, a spaceship, and the ability to travel through time? If you happened to be a beautiful but cruel villainess, you would probably take over the world. Or she would, if Pirate Perdita wasn't there to steal her zombie-making jewel. Now if only Perdita hadn't been kidnapped. Of course Mr. Li, Perdita's first prisoner, is trying to get her back. And eleven year old Leander Jack? He's just trying not to die. Adventure awaits in this multi-dimensional story, with dinosaurs, pirates, zombies, time ships, space ships, and at the center, a jewel. Will Pirate Perdita steal the Star of Bokor? Will Leander Jack be eaten by bambiraptors? Will the prisoner Mr. Li ever escape? And will the zombie dinosaurs take over Earth, or will the band of pirates save the day?.
