

Tiger (Reaktion Books - Animal)

By Susie Green

Reaktion Books, 2006. Taschenbuch. Book Condition: Neu. Gebraucht - Wie neu - ungelesen, sehr guter Zustand; Rechnung mit MwSt.; unused/unread, very good condition; - Contrary to popular belief, it is the tiger, not the lion, who is the true king of the jungle. A male tiger can grow to eleven feet in length and weigh more than 650 pounds. Sleek, powerful, and mysterious, the tiger is revered as a potent symbol of sexuality and ferocity in many cultures around the world. Yet the tiger's strength and beauty has also been its downfall--nearly every part of the tiger has a value to poachers, including the animal's hide, teeth, bones, and even sexual organs. With 'Tiger,' author Susie Green explores the tiger's new status as both predator and prey. She also examines the tiger's rich cultural history, from its valued position in Taoist mythology and the Chinese Zodiac, to more recent interpretations of the tiger's prowess in the work of Salvador Dali. Smart, readable, and lushly illustrated, 'Tiger' will appeal to the wide audience that admires this wonderfully vital yet highly endangered species. 189 pp. Englisch.
