Send The Light. Paperback. Book Condition: new. BRAND NEW, A Vast Minority: Church and Mission in a Plural Culture, Stuart Murray, During the past century the advance of secularism, the growth of other religious communities and the decline of the churches have combined to reduce the size and influence of the Christian community. Christians are now members of a minority religious community in a plural society. How is this diminished status to be understood in a global and historical context, within the purposes of God? What institutional changes are required? What psychological and emotional adjustments are needed in communities that have a corporate memory of majority status, privilege and influence? What hopes and expectations should be encouraged? What strategies should be adopted? A Vast Minority explores the challenges and opportunities we face. - Publisher.
