Ebooks2go, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Author holds industrial experience of more than two decades and has proved to be a successful HR- LD and Leadership practitioner professionally as well as an academician that very well understands the teaching and research pedagogy. One of the best things about author is that he is able to apply concepts literally and takes a practical view of things rather than simply incorporating models without any rational implication. This book is an integrated learning vehicle for all working professional irrespective of their role in organization to understand the deeper meaning of leadership, methods to build leadership capabilities and sharpening their leadership edge for those who are working in leadership capacity in any organization. Just like strategy, writing a book takes deep contemplation to narrate theory in a very lucid manner, hence, author could establish his thought process for readers. I this book author chose to look at multiple facets of leadership and how one can sharpen his leadership edge in this volatile, uncertain, complexed market. Author made this choice because his research indicates that leaders are hungry to know unique leadership qualities that are necessary to fulfill the expectation of an individual to organization. So, Happy reading and learning to my reader. This book is dedicated to all extraordinary leaders whom I admire most. They all exemplify and portray true leadership qualities and defined the true meaning of leadership. This book is written to disseminate knowledge. It s author s conscious effort to craft multiple chapters in this book for sharing knowledge. You may find this book as an integrated learning vehicle. This book is published subject to the condition that it shall not by way of trade or otherwise, be lent, resold,...
