Michigan State University Press, United States, 2009. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This is the harrowing story of one of the worst shipwrecks in Great Lakes history. In the early morning hours of November 29, 1966, the S.S. Daniel J. Morrell was caught in a deadly storm on Lake Huron. Waves higher than the ship crested over it, and winds exceeding sixty miles per hour whipped at its hull, splitting the 603-foot freighter into two giant pieces. Amazingly, after the bow went down, the stern blindly powered itself through the stormy seas for another five miles! Twenty-eight men drowned in the icy waters of Lake Huron, but one sailor 26-year-old Dennis Hale miraculously survived the treacherous storm. Wearing only boxer shorts, a lifejacket, and a pea coat, Hale clung to a life raft in near-freezing temperatures for 38 hours until he was rescued late in the afternoon of the following day. Three of his fellow crewmates died in his raft. In *Deadly Voyage*, Andrew Kantar recounts this tale of tragedy and triumph on Lake Huron. Informed by meticulous research and the eyewitness details provided by Hale, and illustrated with photographs from the Coast Guard search and rescue operation, Kantar depicts one of the most tragic shipwrecks in Great Lakes history.
