Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On the eve of Good Friday and Easter Sunday, an unsuspecting bookstore owner, in a resort town, Daniel Johnson, finds himself entranced with the new woman in town. Five years a widower, Johnson is ripe for a new relationship-something real and tangible, with intimacy. Unfortunately, the arrival of the enchanting, mystery woman also brings problems with his reality. Johnson finds himself waking up in alternating worlds: the first world involves his newfound love interest and a happy life with his youngest daughter; in the second world he struggles with his bookstore and his relationship with his daughter, who believes he is becoming senile, or mentally ill. Johnson searches for the answers to the dream/wake realities, while trying to find a way to remain in the happy world with his brand-new, budding relationship. But, is he insane, or is there a greater, paranormal force guiding the action?.
