

## Ovulation and Menstruation, and Dr. R. Battey s Operation of Normal Ovariectomy (Classic Reprint) (Paperback)

Filesize: 6.76 MB

### ***Reviews***

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
**(Miss Celia Volkman)**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Ovulation and Menstruation, and Dr. R. Battey s Operation of Normal Ovariectomy If the womb, as I have already stated before, has, like every other organ Of the human system, inherent within itself its own Specific life and functional capacity, in conformity with and de pending upon its specific histological structure and the specific life and vital qualities and action of the cells of its tissues, its functional life must continue as long as it remains itself anatom ically intact, and the absence of the ovaries can only have a very gradual in?uence in modifying its functional activity, but can never, according to my conceptions Of physiology, arrest them at once and entirely. It seems, according to the authorities of Dr. Battey, Meigs, Tyler Smith and others, that menstruation depends alone upon ovulation, or in other words, upon the impulse which the womb receives at that time from the ovaries. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
