Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. I do not remember being bitten. I wish I did, for then I would know the creature who did this to me and I would have a purpose, to track him down and repay him for the poisoned gift he gave me. Back in the Thirteenth Century, Will was destined to be Earl of Mercia, although he never lived to inherit his title. In the centuries that follow, Will has led a lonely life, learning to deal with whatever the present day throws at him, always searching for answers but never finding any. Until this time, when he awakens after a 20-year-slumber, hungry for the blood that sustains his undeath, when it appears that he is finally getting a glimpse at why he exists. He does indeed have a destiny, and an enemy, but revealing that fate will be a matter of trust.
