Liguori Publications,U.S., United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. One may read about the early church or the Renaissance popes without a clear idea of the who-where-when-what-why-and-how of those eras. This easy-to-read volume answers the basic question what did the Church look like in this particular period? for the four traditionally recognized eras of Church history: early, medieval, Reformation, and modern. Each chapter includes a map and timeline to locate the reader in time and place. The timeline identifies what else was going on. Then they address these topics: 1) The Big Picture: a broad overview of the era; 2) The Church s Hierarchy: a look at the popes, cardinals and bishops with their concerns; 3) The Church in the Pews: what was Christianity like for the average person; and 4) What made this period unique--taking a comparative approach. All chapters conclude with discussion questions and a list for further reading. View sample pages. Paperback Available for the Amazon Kindle.
