Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Some Memorials of Renee of France, Duchess of Ferrara If I did enumerate those my surviving auxiliaries, I should be impelled to specify one, a friend of many years, who has gone into the work of research and revision of materials for me with a voluntary earnest ness, relieving my mind, while it has clearly gratified his own spirit. But he who has thus aided me, will be better pleased with the consciousness of having done so as a private friend, undesirous of publicity. My effort at authorship lays no claim to originality. I wish my confession of every omission of this kind, which may be discovered, to be understood in the amplest sense; for I should be indeed ashamed to incur the slightest imputation of that literary dishonesty which, availing itself of the labours of others, assumes the credit as its own.
