MANNERS MARAUDERS: BOOK 4 OF THE SWASHBUCKLING ROMANCE SERIES (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. Waking up in bed with a stranger is not Isla's typical night out, even with a couple of drinks and a girls night with her friends. Especially considering that stranger claims to be a pirate from the Eighteenth Century and she's in nothing but her starkies. Isla Barnes hates love, marriage, and commitment. As a Millennial in her twenties, she's focused on starting her criminal journalism career, finally living on her own in an expensive apartment in Los Angeles, and having fun with cute guys. After a bachelorette party with her closest friends, she wakes up in nothing but her party dress to an unfamiliar bedroom next to a man claiming to be a pirate from the Eighteenth Century. While she attempts to figure out where she is and why she's here with him, her new companion, Captain Matt Scott of the Crimson Wave, is on a mission to rescue his sister from the hangman's noose. Isla decides to tag along because he offers her free passage and she finds she feels safe with him - which is odd, considering the only man she trusts is her father. This new adventure is completely unexpected, mind-blowing, and seemingly impossible, but Isla will learn that survival is easier with friends, magic is real, and love isn't as bad as she once thought it was.
