Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Improvement Era, Vol. 21: April, 1918 In the first chapter of Genesis we find an impressive summary of the creative processes whereby the earth was made ready for human occupancy. Then, in the fourth and fifth verses of the second chapter we read that all the great developments of earlier record, including the creation of man, had been effected before a single plant had sprung from the soil, and while yet there was not a man to till the ground. Two states of existence or distinct creations are plainly indicated - the first, a spiritual and the later an earthly embodiment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
