THE UNINTENDED REFORMATION: HOW A RELIGIOUS REVOLUTION SECULARIZED SOCIETY.

DOWNLOAD

Belknap Press, Cambridge, Massachusetts and London England, 2012. Hardcover. Condition: New. 592 pages. Hardcover with dustjacket. New book. RELIGION. In a work that is as much about the present as the past, Brad S. Gregory identifies the unintended consequences of the Protestant Reformation and traces the way it shaped the modern condition over the course of the following five centuries. A hyperpluralism of religious and secular beliefs, an absence of any substantive common good, the triumph of capitalism and its driver, consumerism—All these, Gregory argues, were long-term effects of a movement that marked the end of more than a millennium during which Christianity provided a framework for shared intellectual, social, and moral life in the West. Before the Protestant Reformation, Western Christianity was an institutionalized worldview laden with expectations of security for earthly societies and hopes of eternal salvation for individuals. The Reformation's protagonists sought to advance the realization of this vision, not disrupt it. But a complex web of rejections, retentions, and transformations of medieval Christianity gradually replaced the religious fabric that bound societies together in the West. Today, what we are left with are fragments: intellectual disagreements that splinter into ever finer fractals of specialized discourse; a notion that modern science—as the source of all truth—necessarily undermines religious belief; a pervasive resort to a therapeutic vision of religion; a set of smuggled moral values with which we try to fertilize a sterile liberalism; and the institutionalized assumption that only secular universities can pursue knowledge. The Unintended Reformation asks what propelled the West into this trajectory of pluralism and polarization, and finds answers deep in our medieval Christian past. Brad S. Gregory is Dorothy G. Griffin Professor of Early Modern European History at the University of Notre Dame. "This book is truly breathtaking in its scope, erudition and sheer...
